MINOR & MAJOR SUBDIVISION PERMIT SUBMITTAL REQUIREMENTS (Tentative and Vesting Tentative Maps)

The submittal information shall be provided to the Planning Division. All submittal information shall be presented along with the Planning Division application form, related fees, and any additional information required by the Planning Division before the application can be accepted as complete.

All submittals shall be on 8.5" x 11" unless noted otherwise below. Please fold all plans into packets with each packet containing one copy of each plan. The packets should not be larger than 9" x 11" in size.

Scale: Use an engineering scale for submittal plans (generally 1" = 20'). Include a north arrow, the scale and a bar scale on all plans.

Required <i>(if marked with an "O" please check with Planning Division)</i>	Submittal Requirement	Number of Copies
X	<u>Application form</u> - completed and signed.	1
X	<u>Deposit</u> – a deposit of \$5,000 shall be submitted to the City of Pleasant Hill.	1
X	<u>Location map</u> - indicating the subject parcel(s) and adjacent streets, this may be on the site plan.	1
X	<u>Aerial map</u> – Legibly showing a direct overview view of the proposed project and 300 feet beyond the project boundary showing sufficient topographic data to indicate clearly the character of the terrain, the type, location and condition of mature trees and other natural vegetation and the location of the existing development. The aerial photo shall not be more than one year old.	1
X	<u>Title report</u> - a preliminary title report, prepared within three months prior to filing the application.	1
X	<u>Written statement</u> - Written statement. Describing the project in detail, including: a) A statement of present zoning and of existing and proposed uses of the property, and any proposed zoning changes, whether immediate or future; b) A description of the proposed subdivision, including the number of lots, their average size, and nature of the proposed development; c) If the proposal is for a residential subdivision of 10 lots or more, a description of how the subdivider will comply with PHMC § 18.20.060, Inclusionary housing; d) A description of landscaping, fences, bridges, gates or other proposed	1

	<p>improvements which may not be fully shown on the map;</p> <p>e) Proposed changes in topography; and</p> <p>f) Proposed tract or deed restrictions, if any.</p>	
X	<u>Environmental Information Form</u> - completed and signed.	1
O	<u>Traffic Report</u> - Projects which generate more than 20 peak hour trips shall provide a traffic study that is consistent with the requirements of the Contra Costa Transportation Authority. The study shall also include an alternative transportation plan – an evaluation addressing the feasibility of accommodation for alternative transportation for pedestrians and bicyclists	1
X	<u>Soils and Geologic Report</u> – A preliminary Soils and Geologic Report, prepared by a State of California licensed Civil Engineer specializing in soils engineering, based upon adequate test borings. The report shall indicate the presence of any critically expansive soils or any other soils problems, which, if not corrected, may lead to structural defects. The report shall contain a geologic map and description of geologic formations and structures significant to the safety and performance of improvements; including faults, existing active or inactive landslides, and areas subject to earthquake ground failure because of liquefaction. (See PHMC Section 17.25.050 for additional information)	1
X	<u>Tree Condition Evaluation Report</u> - an independent report by a certified arborist, licensed landscape architect or other professional approved by the Public Works and Community Development Director. May be subject to peer review.	1
X	<u>Site photographs</u> - to clearly show the views of and from the project, including neighboring development. Include a key map indicating where the pictures were taken from and in what direction they were taken. Label the pictures accordingly.	1
X	<u>Preliminary drainage study</u> . Per Engineering Division standards.	2
X	<u>Preliminary stormwater pollution prevention plan</u> . Per Engineering Division standards.	2
X	<u>Hazardous waste and substances statement</u> . A signed statement of compliance under Government Code section 65962.5(f) indicating whether the proposed project is located on a hazardous waste and substance site as defined in that section. Under Government Code section 65962.5, the California Secretary for Environmental Protection is required to consolidate information regarding land where certain hazardous wastes or contaminants are present, and to distribute a list to each city and county in which sites on the list are located. An applicant for any development project must consult the list sent to the city and submit a signed statement to the city indicating whether the project and any alternatives are located on the list. (Govt. Code § 65940)	1
X	<u>For vesting tentative maps</u> . The subdivider shall also submit all of the following information, unless a requirement is waived by the zoning administrator after consultation with the city engineer: (Govt. Code § 66498.8)	15-24"x36" sets

	<p>a) The height, size and location of buildings, including elevations; and</p> <p>b) Information on the uses to which the buildings will be put.</p>	
X	<p><u>Tentative Map</u> – Show proposed improvements, including:</p> <p>a) The location, grade, centerline radius, arc length of curves, pavement, and right-of-way width of all streets. Typical sections of all streets shall be shown including pavement widths, curbs, gutters, sidewalks, medians, and slopes of cuts and fills. Proposed private streets shall be clearly indicated. Include a proposal for placing all utilities underground (see PHMC § 17.35.020.G).</p> <p>b) The location and radius of all curb returns and cul-de-sacs.</p> <p>c) The location, width, and purpose of all easements.</p> <p>d) The angle of intersecting streets if such angle deviates from a right angle by more than four degrees.</p> <p>e) Engineering plan and data showing the approximate finished grading of each lot, the preliminary design of all grading, the elevation of proposed building pads, and the top and toe of cut and fill slopes to scale. Cut and fill areas shall be highlighted.</p> <p>f) Areas to be used for public purposes or facilities.</p> <p>g) Proposed recreation sites, trails, and parks for private or public use. If park dedication is proposed, the tentative map application is not complete unless accompanied by Pleasant Hill Recreation and Park District’s written comments on the proposed location.</p> <p>h) Proposed common areas and areas to be dedicated to public open space, including a proposal for the long-term maintenance of private common areas.</p> <p>i) The location and size of sanitary sewers, fire hydrants, water mains, and storm drains, including all necessary provisions for handling water supply, stormwater and sewage. Proposed slopes, approximate elevation, direction of flow and type of facility for sanitary sewers, storm drains, and overland drainage releases shall be indicated.</p> <p>j) A planting plan for slopes, erosion control, street trees, other landscaping and fencing.</p>	15-24”x36” sets

City of Pleasant Hill
Public Works and Community Development Department
Cost Recovery Agreement

Notary acknowledgement required

This Agreement is for payment to the City of fees for application processing and plan checking and inspection services for certain land use and development projects, under the authority of the City's Master Fee Schedule. It applies to City fees (i.e. Planning and Engineering Divisions and City Attorney Office) designated in the Master Fee Schedule as hourly fees or actual costs. It does not apply to flat-fee applications nor to the building permit and related inspection fees. The deposit will be retained in a refundable deposit account until it is drawn down based on costs incurred by the City.

Project: _____

Applicant: _____ Owner, if different: _____

Property (address and parcel number): _____

Land use entitlement(s) or permit applied for: _____

City file #: _____

Initial deposit: \$_____ made on _____

This Agreement is entered into on _____, 202__ between the Owner and the City. Owner/Applicant has applied for the land use entitlement or other permit indicated above.

1. Definitions. In this Agreement:

Department means the Public Works and Community Development Department.

Director means the Director of the Public Works and Community Development Department.

Master Fee Schedule means the City-wide Master Fee Schedule adopted by the City Council under Resolution No. 34-07 and subsequent amendments to it.

Owner/Applicant means the Property Owner and the Applicant. If they are different, it refers to both of them who are equally responsible under this Agreement.

Reimbursable costs means the costs associated with review and processing, plan checking and inspections for the application for the land use entitlement, grading or encroachment permit indicated above, and any subsequent applications related to the same project. It includes costs for:

City of Pleasant Hill
Public Works and Community Development Department
Cost Recovery Agreement

- services provided by any City department within the scope of the Master Fee Schedule.
- retaining professional and technical consultant services, and any other services necessary, to perform functions related to the review and processing of the application and inspection of the work (other than building inspection).
- both direct and indirect costs, including State-mandated costs.
- If additional work is required as the result of a claim, action or other legal proceeding, the cost of additional investigation, study, or document amendment (e.g., to EIR, General Plan, zoning).

2. Agreement to pay. Owner/Applicant agrees to pay to the City all reimbursable costs, as defined in Section 1. This agreement applies whether or not the application is approved. If the application is withdrawn, the Owner/Applicant shall pay the reimbursable costs incurred up to the time of withdrawal. If a decision regarding the application is appealed by the Owner/Applicant or by someone else, the Owner/Applicant shall pay for the reimbursable costs incurred.

Owner agrees that delinquent amounts shall constitute a lien on the Property and expressly consents to recordation of a notice of lien (or copy of this Agreement) against the Property regarding any delinquent amount.

3. Deposits and billing.

a. Deposits. The Owner/Applicant shall make an initial deposit in an amount determined by the Director. This amount is indicated on page 1, above.

b. Notices and Invoices. As requested by the Owner/Applicant, the City shall send a summary of the costs incurred to date. The City may also send an invoice for the balance due. Payment is due to the City within 15 days of the date of the invoice. Finance charges for overdue amounts will be assessed at the rate of 1% per month (12% per year), except as to documented disputed amounts.

c. Questions and clarification. The Owner/Applicant is responsible for contacting the City within 15 days of the receipt (or usual receipt) of the notice or invoice regarding (i) questions about the costs or supporting back-up documentation or (ii) clarification about specific charges. The Owner/Applicant's failure to do this in a timely way will result in additional charges for clerical time spent and possible finance charges for late payment.

4. City responsibilities. City agrees to review and process the application in accordance with the California Permit Streamlining Act (Gov't. Code § 65940 and following), and with the City's ordinances, standards and policies. However, City may

City of Pleasant Hill
Public Works and Community Development Department
Cost Recovery Agreement

suspend the review, processing and/or inspections for non-payment as provided in Section 5.

5. Consequences of failure to pay. If the Owner/Applicant fails to pay the City the amounts due, when they are due, the City may, in its discretion, do any or all of the following:

- a. Cease processing of the application or inspection of the work. Owner/Applicant here consents to waive rights under the Permit Streamlining Act if he/she is in default of this Agreement, and thus in violation of Municipal Code section 1.05.050, 11.05.050, 15.10.080, 17.20.070 and/or 18.75.050.
- b. After written notice, terminate or deny the application.
- c. After written notice, issue a stop-work order on any work begun.
- d. Withhold issuance of further plan checks, entitlements, permits, inspections, certificates or occupancy, etc.
- e. File a lien against the Property for the amounts due. (The lien shall be recorded in the same manner as a nuisance abatement lien under GC 38773.1.)
- f. File a civil action for recovery of the amounts due.
- g. Impose a continuing finance charge on the unpaid balance of 1% per month.

6. Refund of deposit. At the Owner/Applicant's request, the City shall refund any amount of deposit still held by it, and not needed for incurred costs, at the conclusion of project review and inspection, after project denial, or after the application is withdrawn.

7. Confirmation of Owner. The Owner represents that he/she is the owner of the Property. Applicant/Owner agrees to promptly notify the City in writing before any change in ownership, or change in the applicant, and to submit a written assumption of the obligations under this Agreement signed by the new owner or applicant, or both.

8. Miscellaneous.

- a. Notices. Invoices or notices shall be sent to the party at the address shown here, unless a change is submitted in writing.
